AUCTION: As stated in the last two issues of Timber Talk we are holding a DONATION auction this fall. This is to give a chance to a number of newer members to acquire what is common to others. Who knows maybe you missed an issue. Wood should be forwarded to our Membership Chairman - Al Munro, P. O. Box 2643 - Station 'M', Calgary, Alberta T2P 3C1 Canada.

CNA '88 WOOD: As promised last month a number of different wood that appeared during the CNA Convention in P. E. I. are featured in this issue. Where details of availability are known the information is printed.

DUPLICATES FOR SALE: I am sure that almost every collector has a few. Why not compile a list and send it in to Timber Talk for publication or advise the Editor that you have a list and collectors can write to you for it. You may be able to trade a few woods and you will probably meet a few more friends. Let's put more fun into the hobby.

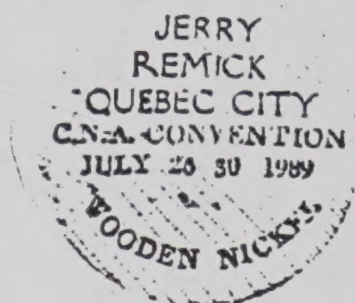

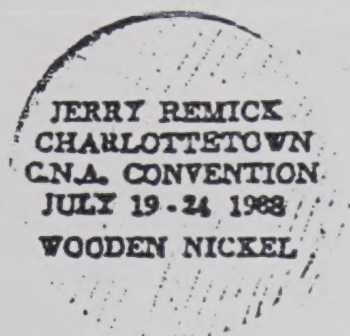

CHRISTMAS WOOD: It is not too soon to start thinking about making a wooden greeting this year. At a later date we will publish details about manufacturers.

FREE WOOD OF THE MONTH: Thanks once again to our good friend and member Walter Loudon for donating wood for distribution to all members of CAWMC via Timber Talk. The wood is printed in blue on a gold background. Thanks again Walter!

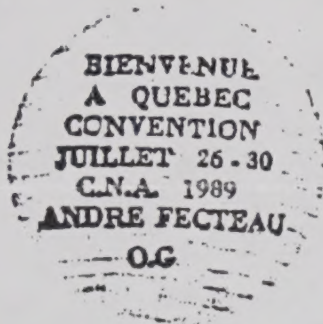

CNA '88 WOOD: Often wood is shown, but without details on ordering them as such information has not been made available to the Editor. Jerry Remick has taken these comments to heart and has dug out information on a few issues (although not all CNA '88 wood). His efforts appear below:

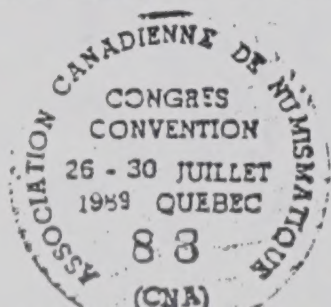

Jerry Remick has issued a round wood for the 1988 Canadian Numismatic Association Convention held in Charlottetown, Prince Edward Island July 19-24, 1988 AND another wood for the 1989 CNA Convention to be held in Quebec City July 26-30, 1989. The CNA logo with Jerry's CNA membership number 128 is on the obverse side. The reverse side shows an inscription with Jerry's name and the Convention dates and place. Jim Deluney of Angus, Ontario made 100 of each by the hot-stamped process, thus giving bright colors on the wood. The 1988 wood is red (name side) and blue with the 1989 being green (name side) and aqua-marine. The two woods shown below are available at \$1.00 per set postpaid from Jerry Remick, Box 9183, Ste. Foy, Quebec G1V 4B1 Canada.

Andre Fecteau issues wood for 1989 CNA Convention. Andre, of P. O. Box 8830, Ste. Foy, Quebec G1V 4N7 Canada has issued 100 rounds to promote the 1989 CNA Convention to be held in Quebec City. The crest of La Societe Numismatique de Quebec, the sponsor of the Convention, is on the obverse side. The text on the reverse side in French translates "Welcome to Quebec / Convention / July 26-30 / CNA 1989 / Andre Fecteau / O. G." The wood is printed in blue and appears below. Jim Deluney was the manufacturer. Specimens are available at \$1.00 postpaid.

La Societe Numismatique de Quebec also has issued a 1989 CNA Convention wood for the Convention in Quebec City. Again they are round. Jim Deluney made 300 of the woods printed in blue (see below). The crest of the society are on one side with the reverse being printed in French which translates "Canadian Numismatic Association (CNA)" circular around the outside and in the centre "Congres / Convention / July 26-30 / 1989 Quebec / (and a number)." They are \$1.00 postpaid from Destination Quebec 1989, C. P. 177, Sucursale Saint Sauveur, Quebec, P. Q. G1K 6V7.

And also thanks to Jerry: Robert Gardner issues wood with CATC crest. Robert Gardner, 132 East Carmens Road, Farmingdale, New York, U.S.A. 11735 has issued a round wood (shown below) with the crest of the Canadian Association of Token Collectors on the obverse side. The reverse side has Bob's name and address and "Trade Dollar Collector." Bob collects trade dollars of the United States and Canada and gets up to Toronto at least once a year for TICF. Bob's wood is available for a stamped self-addressed envelope (SASE). Canadian residents can send 35¢ in coin. The wood is printed in black.

Ed. Note: Thanks Jerry for spending a few minutes of your time in writing about the above wood issues. I am sure all members of CAWMC appreciate your thoughtfulness.

MORE CNA WOOD: Now here are the pictures of various other wood floating around Charlottetown during the CNA Convention. Many were issued by CAWMC members and in May we sent out a Membership List which may help you in tracking a few down. One further comment: The wood of Ian Graham and Tim Henderson will be hard to get as only 30 were made by each collector. Mark Mogan and Chris Clifton each issued a set of three wood in three different color combinations (each). They handed out a different wood each day of the Convention.
